Prix Versailles 2021: Announcement of continental winners

The Secretariat has revealed the 70 continental winners of the Prix Versailles 2021, for each of the six Prix regions: Africa and West Asia – Central America, the South and the Caribbean – North America – Central Asia and the Northeast – South Asia and the Pacific – Europe.

These recent creations around the world display extraordinary vitality and diversity, despite the global pandemic.

The 18 shops and stores, 16 shopping malls, 18 hotels and 18 restaurants selected for awards will now be competing for 12 World Titles (Prix Versailles, Interior and Exterior).

These continental prizes supplement the world selections for the categories of Airports, Campuses, Passenger Stations and Sports, which were released on 16 July.

The 2021 World Judges Panel, whose members will be released at a later date, will then make their choices from amongst the finalists. The winners of 24 World Titles in total will be revealed during the Official Announcement on 15 December 2021.

Like each year, the criteria applied by the judges will encompass innovation, creativity, reflection of local, natural and cultural heritage, and ecological efficiency, as well as the values of social interaction and participation which the United Nations holds in high regard.

These projects are representative of intelligent sustainable development, in which ecological, social and cultural aspects enter into a dialogue with one another, resonating with the International Appeal of 7 June 2020, launched by the Prix Versailles.
